

stdexcept

string

cgiererror.h

```
graph BT; cgiererror.h --> stdexcept; cgiererror.h --> string;
```

The diagram illustrates the relationship between the `cgiererror.h` header file and two standard C++ headers. At the bottom, a black box contains the text `cgiererror.h` in white. Two blue arrows originate from the top of this box: one points diagonally up and to the left to a box labeled `stdexcept`, and the other points diagonally up and to the right to a box labeled `string`. Both the `stdexcept` and `string` boxes are white with a thin grey border.
